OUR IMPACT STORY

PROLINTAS AND UTM COLLABORATE TO STRENGTHEN ACADEMIA-INDUSTRY SYNERGY VIA THE CEO@FACULTY PROGRAMME

PROLINTAS and Universiti Teknologi Malaysia (UTM) have forged a strategic alliance by signing a Memorandum of Understanding (MoU) to strengthen the bridge between academia and industry.

This partnership seeks to provide UTM students with valuable industrial training opportunities. It will also be a platform to encourage the facilitation of a dynamic collaboration between industry professionals and academic faculties, aiming at driving forward research and innovation efforts. This collaboration is envisioned to yield practical solutions to contemporary industry challenges, thereby enriching the integration of academic insights with real-world industry practices.

Set to last for three years, the MoU encompasses three critical areas of cooperation:

CEO@FACULTY PROGRAMME

The CEO@Faculty Programme (CFP), a hallmark of the partnership between PROLINTAS and Universiti Teknologi Malaysia (UTM), represents a significant stride in bridging the gap between academia and industry.

INITIATION AND DURATION

Launched in 2022, the CFP is an ongoing initiative that fosters a symbiotic exchange between education and professional practice.

LEADERSHIP AND PARTICIPATION

PROLINTAS' Group Chief Executive Officer, Dato' Mohammad Azlan Abdullah's appointment as a member of the CFP by the Department of Higher Education, Ministry of Higher Education, leads the programme with a diverse group of participants, ranging from academicians to technical experts, all contributing to a rich tapestry of knowledge exchange.

OBJECTIVES

For PROLINTAS:

The initiative allows PROLINTAS to leverage on UTM's research capabilities and innovative academic talent. This collaboration is focused on discovering novel solutions to operational challenges, from using sustainable materials to adopting cutting-edge technologies, thereby elevating the safety, efficiency and productivity of highway operations.

For Academicians:

The CFP aims to enhance the educational landscape by integrating industry insights into the academic curriculum, offering students firsthand exposure to real-world challenges, and supporting emerging talents in their professional development journey.

CAPACITY, CAPABILITY, COMPETENCY & CULTURE

ACHIEVEMENTS AND IMPACTS

The CFP has been instrumental in fostering a vibrant exchange of knowledge and expertise, leading to notable achievements:

1 A faculty member in the Civil and Structural Engineering Department greatly benefited from insights on road maintenance, slope and drainage systems.

The Impact:

His expertise seamlessly integrated into the curriculum, enriching students' learning with practical industry insights alongside theoretical knowledge.

2 A contingent of 23 UTM lecturers and officers gained firsthand experience on PROLINTAS' operations, emphasising Highway Operations and Projects.

Lesson Learned:

They gained insights into the growing demand for effective road and transit infrastructures in the Klang Valley.

It bridged the academic-industry divide by melding theoretical education with practical operational scenarios, thus enhancing the academicians' ability to impart traffic and highway management concepts with added practical relevance.

3 A group of 17 members from PROLINTAS' technical team undertook a study tour at UTM, guided by representatives from the Faculty of Civil Engineering.

The Application:

This visit enabled the team to absorb cutting-edge technological practices in construction, operations and maintenance, fostering continuous innovation and learning experience.

The initiatives within the CFP detailed here are centred on human development. Further outcomes from the CFP, aligned with other material matters, are elaborated in the corresponding sections of this report.

GOING FORWARD

Together, we foster and nurture a space where every team member feels valued and empowered to contribute their best, where diverse perspectives are embraced, creativity flourishes, and where everyone is driven by a shared vision of excellence - shaping a path that leads to personal and professional fulfilment.
